**Dixie Brewster**

We are pleased to inform you that Dixie Brewster will be our speaker at this year's KfUMR banquet. Dixie is no stranger to the Kansas West Annual Conference as she served for eight years as the Conference Lay Leader. She led the 2004 delegation at General and Jurisdictional Conference and was also elected to the 2008 delegation. She currently serves on the South Central Jurisdictional Episcopal Committee, the Kansas/Nebraska Transition Team, Camp Horizon's Board, and is the Conference Nominations Chair. Outside of her conference responsibilities, Dixie serves on the Good News Board of Directors.

Dixie lives in rural Milton with her husband Dean. They have two children – Blake, a student at WSU and Ali, a senior at Argonia High School. They keep busy on the farm, in the school system, and in their local church. In her local church Dixie is the local UMW president and serves on the PPRC and Worship committees. The highlight of Dixie's year was to coach the Argonia high school girls to the 1A State Basketball Championship.

Dixie has a heart for renewal and revitalization of the local church. Her passion for Jesus is evident in all she says and does. We are excited to have her share with us.
