Application Questions (please answer on separate sheet and attach with your application):

1. Is your congregation a healthy, "ready" congregation (i.e. supportive of the pastor and each other, able to focus outside the church walls, and ready to try new and innovative programs)? Provide examples of this.
2. Do you plan for your pastor to be in the church at least two more years? Yes No
3. Can your church commit that the Pastor and four-six congregation members would attend leadership training for eight days in 2010-2011? Yes No
4. Describe how you will select a mix of emerging young and experienced members in your church to participate in this initiative.
5. Has your church participated in any of the following programs?
 Incubator Healthy Congregations Abide Small Church Membership Revitalization
6. Describe the three most significant health challenges facing your community. Use a broad definition of health (i.e. physical, spiritual, social, mental, economic health of individuals and/or of the broader community).
7. Respond to the statement: "Our congregations need to fall in love with their communities again"
8. Describe how your church reaches out to your community?
